

Daniel Caesar - Get You

tom:
D

Through drought and famine, natural disasters
My baby has__been around for me
Kingdoms have fallen, angels be calling
None of that could ever make me__leave
Every time i look into your eyes i see it

You're all i need
Every time i get a bit inside i feel it

Ooh, who would've thought i'd get you
Ooh, who would've thought i'd get you

And when we're making love
Your cries they can be heard from far and wide
It's only the two of us
Everything i need's between those__thighs
Every time i look into your eyes i see it

You're all i need
Every time i get a bit inside i feel it

Ooh, who would've thought i'd get you
Ooh, who would've thought i'd get you

And i'll take some time
Just to be thankful
That i had days full of you, you
Before it winds down into
The memories, it's all just memories

Don't you love when i come around
Bill you up then i take you down
Don't you love when i come around
Build you up then i take

Ooh, who would've thought i'd get you
Ooh, who would've thought i'd get you
