tom:
                Db (forma dos acordes no tom de C )
Capostraste na 1ª casa

You've had too many years of waiting

What if it cuts short with the fires I've started?
Have a baby with me, me
Have a baby with me
There's no time to believe in what we could be

in Hell, and all the

```
This could be?
But you need to leave, you ought to see
What this world can offer you, outside of me
Have a baby with me, before you leave
Have a baby with me
There's no time to believe in what we could be
We could leave something here
It's too late for our dreams
We can make a new dream
Have a baby with me
Have a baby with me
Woman, I need you, like never before
African woman, you're the one I adore
I-i-i need you, like never before
I'll give you all I've got, and I'm sure
