Daniel Caesar - Loose

```
                        tom:
                   Db (forma dos acordes no tom de C )
Capostraste na 1ª casa

          [Primeira Parte]

C                 C7
If you ever start to wonder
 Dm7                   Fm7                    Em7     A7
Why all the rain and all the thunder follows her around
          Dm7             G7
You better cut that girl loose
        C                 C7
Most of time, everything's fine
 Dm7                  Fm7
But as soon as she starts to whine
          Em7        A7
If you have no patience
         Dm7
You better cut that girl loose
               G7
What are you, a coward?

            C
Who are you helping?
         Gm7
You got the power
            Fm7
```

```
Then do it yourself, king
            Em7        A7
And do it for her
            Dm7             G7
You better cut that girl loose, ah
        Em7         A7
Set her free, let her be
            Em7
Leave her be
    A7
Oh yes

( Dm7   G7 )

[Final]

              G       C
You don't love me anymore
 G               C
Let's see how you like this song
         G         C
See you walking out that door
 G                 C
Wonder why it took you so long
  Am                     Bm7
Ever since the day that I met you
  Am                  D
Knew you were the girl of my dreams
