

# Daniel Caesar - Love Again

Tom: F

I wake from my slumber  
I wish I could call you up  
Miss how you'd put your love on me  
Boy, you've got my number  
Wish I could feel your touch  
Wish you could follow up on me  
You never know when to chill  
Always talk 'bout keep it real  
Only til you've have your fill  
Then you wanna cry ill will  
Really thought you knew the deal  
Oh well, I guess that's what happens  
When two fools be falling in love  
Mixing some pain and some passion  
Nothing is ever enough  
If you can take my hand  
I promise we'll find love again, love again, yeah, yeah  
If you can take my hand  
I promise we'll find love again, Love again, oh yeah  
You don't even say what's up  
Round your boys you act so tough  
Like you've never been in love  
If you don't quit acting up  
Alone is where you're gon' end up, I promise  
You may think that I'm crazy  
You should ask around 'bout me  
Put your trust in me, baby

Ay, yeah

[Refrão]

I wake from my slumber  
I wish I could call you up  
Miss how you'd put your love on me  
Boy, you've got my number  
Wish I could feel your touch  
Wish you could follow up on me  
Hold on until the end  
Hold on until you can't extend  
I'll be clinging on to you  
I'll be clinging on to you  
And then we get again  
All waiting around and then  
Circle back around to you  
Coming back around to you  
I'm coming back around and  
Even on your worst day  
Love you in the worst way (Worst way)  
Circling around for eternity  
Going through the motions you're turning me, internally  
Drifting on my own again  
Reaching out to hold your hand  
I want to be alone with you  
Can I be alone with you?  
If you can take my hand  
I promise we'll find love again, love again, oh  
If you can take my hand  
I promise we'll find love again  
Ever
