

# Daniel Caesar - Love Again

Tom: F

I wake from my slumber  
 I wish I could call you up  
 Miss how you'd put your love on me  
 Boy, you've got my number  
 Wish I could feel your touch  
 Wish you could follow up on me  
 You never know when to chill  
 Always talk 'bout keep it real  
 Only til you've have your fill  
 Then you wanna cry ill will  
 Really thought you knew the deal  
 Oh well, I guess that's what happens  
 When two fools be falling in love  
 Mixing some pain and some passion  
 Nothing is ever enough  
 If you can take my hand  
 I promise we'll find love again, love again, yeah, yeah  
 If you can take my hand  
 I promise we'll find love again, Love again, oh yeah  
 You don't even say what's up  
 Round your boys you act so tough  
 Like you've never been in love  
 If you don't quit acting up  
 Alone is where you're gon' end up, I promise  
 You may think that I'm crazy  
 You should ask around 'bout me  
 Put your trust in me, baby

Ay, yeah

[Refrão]

I wake from my slumber  
 I wish I could call you up  
 Miss how you'd put your love on me  
 Boy, you've got my number  
 Wish I could feel your touch  
 Wish you could follow up on me  
 Hold on until the end  
 Hold on until you can't extend  
 I'll be clinging on to you  
 I'll be clinging on to you  
 And then we get again  
 All waiting around and then  
 Circle back around to you  
 Coming back around to you  
 I'm coming back around and  
 Even on your worst day  
 Love you in the worst way (Worst way)  
 Circling around for eternity  
 Going through the motions you're turning me, internally  
 Drifting on my own again  
 Reaching out to hold your hand  
 I want to be alone with you  
 Can I be alone with you?  
 If you can take my hand  
 I promise we'll find love again, love again, oh  
 If you can take my hand  
 I promise we'll find love again

Ever
