

Daniel Caesar - Love Again

Tom: F

I wake from my slumber
 I wish I could call you up
 Miss how you'd put your love on me
 Boy, you've got my number
 Wish I could feel your touch
 Wish you could follow up on me
 You never know when to chill
 Always talk 'bout keep it real
 Only til you've have your fill
 Then you wanna cry ill will
 Really thought you knew the deal
 Oh well, I guess that's what happens
 When two fools be falling in love
 Mixing some pain and some passion
 Nothing is ever enough
 If you can take my hand
 I promise we'll find love again, love again, yeah, yeah
 If you can take my hand
 I promise we'll find love again, Love again, oh yeah
 You don't even say what's up
 Round your boys you act so tough
 Like you've never been in love
 If you don't quit acting up
 Alone is where you're gon' end up, I promise
 You may think that I'm crazy
 You should ask around 'bout me
 Put your trust in me, baby

Ay, yeah

[Refrão]

I wake from my slumber
 I wish I could call you up
 Miss how you'd put your love on me
 Boy, you've got my number
 Wish I could feel your touch
 Wish you could follow up on me
 Hold on until the end
 Hold on until you can't extend
 I'll be clinging on to you
 I'll be clinging on to you
 And then we get again
 All waiting around and then
 Circle back around to you
 Coming back around to you
 I'm coming back around and
 Even on your worst day
 Love you in the worst way (Worst way)
 Circling around for eternity
 Going through the motions you're turning me, internally
 Drifting on my own again
 Reaching out to hold your hand
 I want to be alone with you
 Can I be alone with you?
 If you can take my hand
 I promise we'll find love again, love again, oh
 If you can take my hand
 I promise we'll find love again
