Daniel Caesar - Neu Roses

```
                 tom:
                  Am
       [Primeira Parte]
                    B             C
There are times I think about that fateful
  Day
   Dm          E7       Am
I threw your love away
                     Gm            F
Every time I see that look upon your face
  B                   E7
The same one that you made
                     B            C
When your fragile world was crashing down
Around you
    Dm    E7          A
You realized your place
                          F
And the darkness that you try so hard to
Subdue
       D            E7
It causes you to change
                  Dm         G
But baby, baby, please don't leave me
  C
(Please don't leave me)
  F         B   E7
I know I made a big mistake, don't turn my
  A        Bb
 Sunshine to shade
       Dm           Gadd11    F
Baby, please don't leave me (Please don't
Leave me)
                 B       E7
I know this is a game we play
                 A7
You're always taking my breath away

[Instrumental]
 Dm  G  C  F  B  E7  A
```
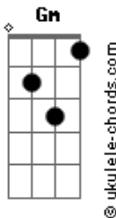

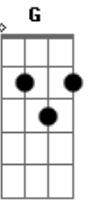

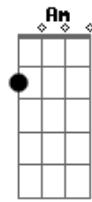

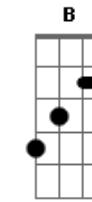

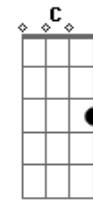

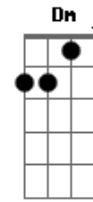

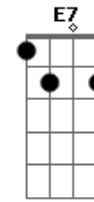

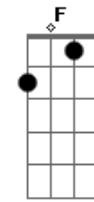

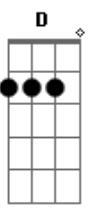

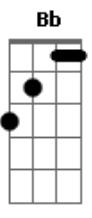

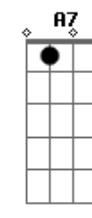

```
[Segunda Parte]
Dm                      G
Should've left you a long time ago
C                     F
All my niggas done told me so
B             E7
But my niggas don't hold me tight
     A7
When I'm sleeping in my bed at night, only
 You
Dm                      G
Should've left you a long time ago
C                     F
All my niggas done told me so
B                  E7
But my niggas don't hold me tight
     A7
When I'm sleeping in my bed at night, only
 You
Dm               G
Babe, I know I fucked up
  C
Fucked with some empty cups
F                      B
But you got your friends too
     E7             A7
But you got your friends too
A7
Better believe it, in
Dm               G
Truth I'm up on my luck, can't stop
  C
Running amok
      F                 B
But you got your friends too
     E7             A7
But you got your friends too
A7
Better believe it, I
