Daniel Caesar - Transform

```
                              tom:
                      Dm

                      Dm7                        Dbm7
If a leopard never changes it's spots

How can I change what I've got?
Dm7                        Dbm7
Transform, transform, transform, transform
          Em-
We don't punish the tiger for catching it's prey
      F7
So how am I the one to blame
             Bb
If it's in my nature?
                            A7
Transform, transform, transform

  A7  Bb                  Bb          Db
       And I don't know why I fight it
             Db      Dm7
The least I could do is try
      Dm7        Eb7M
But ego's in the way
Eb7M Bb          Bb        Db
      I know that you feel mad today
           Db      Dm7
But that anger will fade away
                      C7M
And you'll wish she was here
