

Daniel Caesar - Who Knows

tom: Who's to say who calculates? Not me, I'm no computer Gb Dh Eb7 I'll probably be a waste of your time, but who knows? Is it a crime to be unsure? (Let me know, let me know, let me Chances are I'll step out of line, but who knows? know, let me) Lately, you've set up in my mind In time we'll find (let me know, let me know, let me know, let Eb7 Gbm6 Db me) Yeah, girl, you, and I like that If it's sustainable (let me know, let me know, let me know, F_b7 let me) Lately, I've been thinking that perhaps I am a coward You're pure, you're kind (let me know, let me know, let me Hiding in a disguise of an ever-giving flower know, let me) Gbm6 Db Eb7 Fm Incompetent steward of all of that sweet, sweet power Mature, divine (let me know, let me know, let me) Eb7 You might be too good for me, unattainable (let me know, let Yesterday was feeling so good, now it's gone me know, let me know, let me) I'd feel like that always if I could, is that wrong? F_b7 Db Maybe we get married one day, but who knows? Tell me 'bout the city you're from Think I'll take that thought to the grave, but who knows? Eb7 Is it hot? Does it snow there? Db I know that I'll love you always Gbm6 Db Eb7 Eb7 Lately, I've been thinking 'bout my precarious future Yeah, girl, you, and I'd like that Acordes

Will you be there with me by my side, my girl, my shooter?
