I'll probably be a waste of your time, but who knows?
F                                     C
Chances are I'll step out of line, but who knows?
C
Lately, you've set up in my mind
         D7
Yeah, girl, you, and I like that

( Fm  C )
```

[Refrão 1]

```
C                             D7
Lately, I've been thinking that perhaps I am a coward
F                             C
Hiding in a disguise of an ever-giving flower
C                       D7
Incompetent steward of all of that sweet, sweet power

( Fm  C )
```
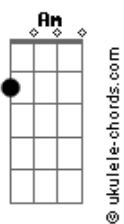

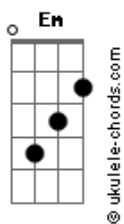

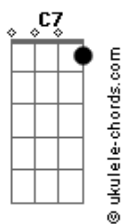

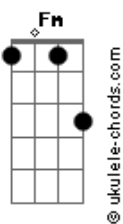

[Segunda Parte]
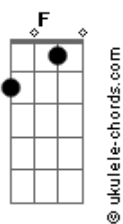

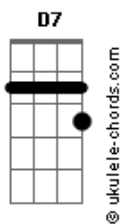

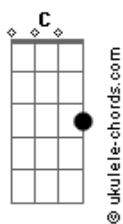

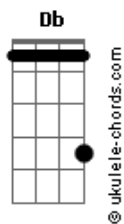

```
C                                  D7
Yesterday was feeling so good, now it's gone
    F                                 C
I'd feel like that always if I could, is that wrong?
C
Tell me 'bout the city you're from
      D7
Is it hot? Does it snow there?

( Fm  C )
```

[Refrão 2]

```
C                           D7
Lately, I've been thinking 'bout my precarious future
F                             C
```

```
Will you be there with me by my side, my girl, my shooter?
C                              D7
Who's to say who calculates? Not me, I'm no computer

( Fm  C )
```

[Ponte]

```
     C                    C
Is it a crime to be unsure?

(Let me know, let me know, let me know, let me)
                   C7
In time we'll find

(let me know, let me know, let me know, let me)
                F
If it's sustainable

(let me know, let me know, let me know, let me)
       Fm
You're pure, you're kind

(let me know, let me know, let me know, let me)
   Em      Am
Mature, divine

(let me know, let me know, let me know, let me)
        D7                     Fm
You might be too good for me, unattainable

(let me know, let me know, let me know, let me)
( C  D7  F  C )
( C  D7  Fm  C )
```

[Final]

```
C                                   D7
Maybe we get married one day, but who knows?
F                                             C
Think I'll take that thought to the grave, but who knows?
C
I know that I'll love you always
         D7                     Fm  C
Yeah, girl, you, and I'd like that
```
