

Daniel Johns - Emergency Calls Only (feat. Van Dyke Parks)

tom:
 Do you feel like I feel
 I don't know what has been going on
 Do you cry like I do?
 In this field of jokes I laugh alone
 Honestly, endlessly
 Merry go round in cycles through my mind
 So much air I can't breathe
 Now I'm speechless 'cause I fear mankind
 That's why I'm
 Emergency calls only
 That's why I'm emergency calls only
 Why?
 I'm emergency calls only
 Do you wonder through the spokes
 Of the world 'cause you don't understand
 'Cause I've had this feeling all my life
 And I don't need your bad advice
 So please don't try and understand
 That's why I'm
 Emergency calls only
 That's why I'm emergency calls only
 Why?
 I'm emergency calls only

I never really ever talk
 I never really got the feeling from you
 I never really wanna write
 'Cause the words don't have a meaning to you
 And you don't wanna talk
 I got this feeling
 I got nothing in my mind
 Nothing left to know
 A horse or a pony
 I got this feeling
 I got nothing left in mind
 There's nothing said in time
 Sometimes I get lonely
 Why I'm emergency calls only
 Calling out
 And I've never felt so lonely
 For you, for you, for you, for you
 For you, for you, for you, for you
 That's why I'm emergency calls only
 That's why I'm emergency calls only
 Why?
 I'm emergency calls only
 Do you feel like I feel?
 (I don't know what has been going on?
