

Daniel Kyre - What If I'm Right

Tom: **G**

Counting the stars

In an empty portal

You're looking dead

Like an empty mortal

What will i see

When my eyes stop working?

What if i'm riht

That there is no king?

G

I was born with

An animation

I once believed

In your faulty promise

Are you that weak

That you follow fiction?

Then again, what

Do i even know?

Acordes
