

Daniel Nascimento - Não Chore Mais

Tom: G

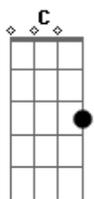

Vai... O tempo passou já não volta mais
 ficou pr'a trás e o que eu sinto me deixa em paz
 coisas do amor sei que foi melhor assim
 Quando o céu se mostra todo azul
 É o céu se mostra todo azul não chore mais
 Que te guarde um anjo vindo do céu
 não chore mais
 O que passou passou já ficou pr'a trás

por que está triste assim?
 A vida é pr'a ser feliz
 O mundo segue a sua lei tira do trono um rei
 e recompensa com o que se fez
 Oh! E se o orgulho diz nunca mais
 o amor sempre refaz
 É o céu se mostra todo azul
 não chore mais
 Saiba que o sonho é o que se faz
 não se apegue a dor, o sol vem com seu calor
