Daniel Seavey - Gateway Drug

```
                    tom:
                     B (forma dos acordes no tom de G )
Capostraste na 4ª casa

        [Primeira Parte]
                    C       G
You thought you knew love

              Am
But love was a liar
      Em            C    G
You thought you knew sex

              Am
I'll set it on fire (Oh)
      Em            C         G
You thought you got high, oh

                Am
But I'll get you higher, ooh

[Pré-Refrão]
Em          C                    G
  'Cause your ex was just a gateway drug
      Am
Your ex was just a gateway drug

[Refrão]
            C            G
I'll be your everything, your nicotine
      Am
Don't call the plug, baby, I got what you
Need
Em          C           G
   I'll be your Adderall, your morphine
      Am
Just face it, baby, I'll get you addicted
    Em
To me

[Segunda Parte]
Em         C    G
 I'll color your sky
                 Am
Blood orange and violet
Em     C       G
 Chemical weight
                    Am
Pulls down on your eyelids (Haha)
        Em
You thought you got high, baby, I can't
G
Lie, no
                 Am
I'll send you flyin'

[Pré-Refrão]
Em           C                    G
   'Cause your ex was just a gateway
Drug (Your ex was just a gateway)
      Am                    N.C
Your ex was just a gateway drug

[Refrão]
            C            G
I'll be your everything, your nicotine
        Am
Don't call the plug, baby, I got what you
Need
      Em       C          G
   I'll be your Adderall, your morphine
      Am
```

Acordes

```
Just face it, baby, I'll get you addicted
    Em
To me
              C               G
I'll be your everything, your nicotine
            Am
Don't call the plug, baby, I got what you
Need
Em          C            G
   I'll be your Adderall, your morphine
        Am
Just face it, baby, I'll get you addicted
    Em
To me

[Ponte]
C                            G
(I'll be your everything, your everything
 Your nicotine
                Am
Don't call the plug, call the plug, baby
            Em
I got what you need)
            C                        G
'Cause your ex was just a gateway drug
(Your ex was just a gateway)
      Am                  N.C
Your ex was just a gateway drug (Oh)

[Refrão]
            C            G
I'll be your everything, your nicotine
        Am
Don't call the plug, baby, I got what you
Need
Em              C          G
   I'll be your Adderall, your morphine
Uh
      Am
Just face it, baby, I'll get you addicted
    Em
To me
            C            G
I'll be your everything, your nicotine, uh
        Am
Don't call the plug, baby, I got what you
Need
Em              C          G
   I'll be your Adderall, your morphine
Uh (Your morphine)
        Am
Just face it, baby, I'll get you
      Em              C
Addic-d-d-d-dicted to me

[Final]
C                            G
I'll be your everything, your everything
Your nicotine
Am
   Don't call the plug, don't call the
                              Em
Plug, 'cause baby, I got what you need
C                            G
I'll be your everything, your everything
Your nicotine
Am
   Don't call the plug, don't call the
                              Em
Plug, 'cause baby, I got what you need
```
