

# Danilo Gusmão - Bandeira

tom:

Intro: Bm

Meu sustento é promessa de pão  
 Tatuagem de samba na pele  
 Queimada do sol

No retrovisor

Diante da incerteza, do tédio, o mediúnico  
 Distante da destreza do gesto, do elo  
 Debaixo do sol, o chão

( Bm Bb A7 Ab )  
 ( G Db G7 Gb )

Anunciando uma nova canção de tudo  
 Se percebendo porto que não se contenta  
 Com mar sendo outro  
 Desprende-se da volta

Da mama, da carne distante do osso

E hasteia sobre a dor  
 Hasteia  
 Hasteia toda cor vermelha  
 Pela vida inteira hasteia o nosso amor  
 Bandeira  
 Hasteia pro vento mover de vez  
 Hasteia sobre a dor  
 Hasteia  
 Hasteia toda cor vermelha  
 Pela vida inteira hasteia o nosso amor  
 Bandeira  
 Hasteia pro vento mover de vez  
 Toda poeira  
 ( Bb A7 Ab G )  
 ( Db G7 Gb Bm )
