

Danilo Sarti - Areia Partida

tom: E

Vai o vento e leve
 Sopra a jangada solta pra lá
 Vem num passo e leva, meu amor a namorar
 Parte a areia branca
 A onda a reben_____tar
 Beira rio, Som nascente
 Meu sol a se içar
 Alegre um rebento
 Regato novo atento
 Lágrimas com curvas
 Distâncias a trilhar e ao imaginar

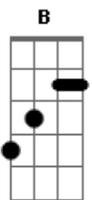

Quanta sede saciar
 Aves resplandecem e acenam
 A caminhada de um amor
 Que pequeno nasce
 E se juntem em duas faces
 De acalento e encanto
 E tanto quanto mais
 Longe se esvai
 Até encher as suas fontes
 E o chão das barcas que navegam
 Como eu irei
 Quando ela minhas velas
 Velejar
