Tom: **Db**

I'm waiting for you **Db**
sitting on the couch **Bbm**
In front of TV **Ab**
trying to write you a note **Gb**
do not disturb **Db**
Is hanging on my door **Bbm**
now I am lying on the floor **Ab** **Gb**
so don't talk **Bbm**
And don't laugh **Ab**

Gb
And don't run away from here
And don't go messing with **Bbm**
Another girl without me **Ab** **Gb**
I'm still missing you **Db**
But I believe the things could change **Bbm**
I know what you've been thru **Ab**
I want to hear you call my name **Gb**
Life Is so short **Db**
I think I'm gonna fall **Bbm**
Now I am trying to break the wall **Ab** **Gb**
