

Danni Carlos - Sowing the Seeds of Love

```
Tom: Bb
  Gm
High time we made a stand
And shook up the views of the common man
   Eb
And the love train, rides from coast to coast
DJ's the man we love the most
Could you be could you be squeaky clean
And smash every hope of democracy
As the headline says you're free to choose
                         D
There's egg on your face and mud on your shoes
One of these days they're gonna call it the blues
Refrão
Reirau
G
Sowing the seeds of love
Seeds of love
Sowing the seeds
I spy, tears in their eyes
They look to the skies for some kind of divine
intervention, food goes to waste
                 D
So nice to eat, so nice to taste
```

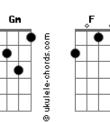

```
Politician granny with your high ideals

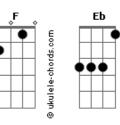

Eb D
Have you no idea how the majority feels
So without love and a promised land
    Eb
We're fools to the rules of the government plan
Kick out the style, bring back the jam
 Repete Refrão
The birds and the bees
                 G
My girlfriend and me in love
            Eb
Feel the pain, talk about it \overline{\mathsf{F}}
If you're a worried man, then shout about it
            Eb
Open hearts, feel about it
             Eb
Open minds, think about it
F Eb
Everyone, read about it
            Eb
Everyone, scream about it
Everyone
Read it in the books,
    D
in the crannies and
the nooks there are books to read
( Repete refrão)
