

# Danny Jones - Big Love

Intro: B B

Tom:

B B  
Every little word you'd say, I'll be listening

Every time you've been in pain, I'll be wishing anything E A

Anything to take away the pain B B

B A  
Oh but that ain't enough

B B  
I just want big love, for you

You deserve the biggest bed, is love you do E A

I ain't talking 'shoulders of the giants' Dbm7

This ain't rocket science Cm7

I'm just sayin' what makes sense to me A2

B B  
Being on the other side is the hard part

Now your smallest tears have dried E A

You can get through anything B B

Anything at all, go use your strength again

B A  
Oh but that ain't enough

B B  
I just want big love, for you

You deserve the biggest bed, is love you do E A

I ain't talking 'shoulders of the giants' Dbm7

This ain't rocket science Cm7

A2

I'm just sayin' what makes sense to me

B B  
I just want big love, for you

You deserve the biggest bed, is love you do E A

You've been putting up a strong defiance Dbm7

This ain't rocket science Cm7

I'm just sayin' what makes sense to me A2
