

# Danny Jones - Is This Still Love

Tom: **G**

Like nobody could do **D** **Bm**  
 You took my heart, you **G**  
 Gave it a home **A**  
 Now, I start to wonder **D** **Bm**  
 As we grow older **G**  
 Are together alone? **A**  
**Bm**  
 You got a heart of gold you're everything to me **A**  
 I pray, I hope that you're feeling the same way that I do  
**G**  
 Is it still love that's keeping us together? **A**  
 'Cause if it's not love, then I gotta know what it is **G**  
 Is there still us when you think of forever **A**  
 Cause if there's no love  
 Then I don't know what it is  
**D** **Bm**  
 So, so many questions **G**  
 Not enough answers **A**  
 Where do we go?  
**D** **Bm**  
 Is, is it just madness?  
 Fueling this sadness **G**  
**A**

How do I know?

**Bm**  
 You know my heart is sold  
 So help me to believe and give me hope **A**  
 Are you feeling the same way that I do?  
**G**  
 Is it still love that's keeping us together? **A**  
 'Cause if it's not love, then I gotta know what it is **G**  
 Is there still us when you think of forever **A**  
 Cause if there's no love  
 Then I don't know what it is  
 ( **D** **C** **Bm** **G** **A** )  
**D** **Bm**  
 You will always be a part of me **G**  
 So let's talk and tell me honestly **A**  
 Hey now, don't be sorry, we're here now **D** **Bm**  
 You will always be a part of me **G**  
 So let's talk and tell me honestly **A**  
 Hey now, don't be sorry, we're here now  
**G**  
 Is it still love that's keeping us together? **A**  
 'Cause if it's not love, then I gotta know what it is **G**  
 Is this still us when you thank God forever? **A**  
 'Cause if it's not love, then I don't know what it is
