

Danny Vaughn - When You Walk Away

```
Tom: E
   Dbm
         Abm
                      Α
Here by your side, The candle flickering
      Abm
                    Α
The t.v.'s still on, But you're not listening
Dbm Abm
                          Α
So I reach for your hand, And the smile that brings
              Abm
                          Α
           Asking me to sing
 E
                  В
Oh, when you walk away, Oh darling, when you walk away
 Gbm
Don't turn around to me, 'Cause I don't want you to see, Me
Tremble at first, My voice it comes so hard
           Abm
I don't want you to see, Me come apart
And then it all opens up, When you show me your heart
              Abm
Rising up, To push away the dark
                В
Oh, when you walk away, Oh darling, when you walk away
                      Α
Don't turn around to me, Cause I don't want you to see
Me this way All the things I feel inside
```

```
All the anger that is mine, What a tearful lullaby
But you brush those tears aside
How can one that's laid so low, Lift me up so high? Where do I
go
To try and put things right? And if I tear out my heart
Will the stars ignite? And to whom do I rage
             Abm
Against the dying of the light? On this a long day's
Gbm
                Abm
journey,
               Into
                             night
Oh, when you walk away, Oh darling, when you walk away
Don't turn around to me, Cause I don't want you to see, Me
             Abm
Somewhere I'm told, There is a world of grace
                Abm
That will take those hard lines, From your face
             Abm
                             Α
But until that day comes, I'll be right here in my place
Ghm
                Abm
Just a man,
                Just a kiss,
                               Just in case
```
