

Danny Worsnop - Same Old Ending

Tom: **G**

I've been waiting for something to come along **Em** **C**

And make me feel like I was home **G**

Walking through the door and the screaming **Em** **C**

Should've been careful for what I wished for **G**

It's just like I remember it with a little more resentment **F**

The same old fight with the same old ending **D**

Sleeping on the couch on my own **Em** **C**

Playing 'round with my guitar and a bottle of rum **G**

Waiting for morning to come **Em** **C**

So I can leave for work and stop coming undone **G**

It's just like I remember it with a little more resentment **F**

Same old fight with the same old ending **D**

(**Em** **C** **G**)

Call me a glutton for punishment **Em** **C**

I suppose it ain't far from the truth **G**

I know there's only one person to blame **Em** **C**

Cause I keep coming back to you **G**
