

Darcy Derenusson - Galante

Tom: A

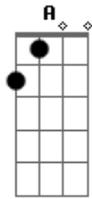

Meu amor é um marco forte, dominante
 Não duvida que fogo seja estrela
 Nem mesmo que a mentira seja a verdade
 É apenas um ato interior e galante
 Meu amor não teme o tempo

Muito embora seu fogo não seja incessante
 Pois enquanto dura, ele é infinito
 E aumenta em cada vão minuto, em cada instante
 No fim, não sei dizer se ele é eterno
 Mas posso afirmar que é o meu sentimento mais sincero
