

Darkthrone - En Vind Av Sorg

Tom: Ab

P? de allerede frossen sjel
Et savn av hyllest
fra disse de edle sinn

Afinação: D G C F A D

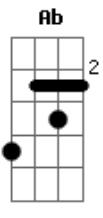

Minnes de svundne tider
Et hav av tid
har g?et siden den gang
Norrones tro og skikk

En vind av sorg
La ser tungt
omkring
De eldstes hus

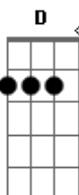

Till skogen hjem en kom
og takk luften inn
Her lukter det kristemans blod
igler p? v?re hj?rter

En eim av frost
