

Darrell Evans - You Are I Am

```
E Gbm
                                                              You are I AM
               tom:
       [Primeira Parte]
                                                              [Segunda Parte]
If You are the mountain
                                                             If You are the song
    Gbm
                                                                        Gbm
I am the climber
                                                             Lord, I will sing
                                                              If You are the player
If You are the ocean
  Gbm
                                                                     Gbm
I am the diver
                                                             I am the strings
E A D
For You are I AM
A E
                                                             E A D
For You are I
If You are the potter
                                                             If I am the novel
 Gbm
                                                                       Gbm
I am the clay
                                                             You are the writer
                                                                         D
If You are the sunlight
                                                              If I am the gold, Lord
 Gbm
                                                                      Gbm
                                                             You are the fire
I am the day
E A D
For You are I AM
                                                             E A D
For You are I AM
You are the vine
                                                             You are the wind
I am the branch
                                                              I am the eagle
I am the dancer
                                                             I am the canvas
   Bm
You are the dance
                                                             You are the painter
You are I AM
                                                             You are I AM
  D
And there is no other
                                                                      D
                                                              And there is no other
E Gbm
You are my passion
                                                              E Gbm
D Bm
My vision, my color
                                                             You are my passion
                                                             D Bm
My vision, my color
E Gbm
You are I AM
                                                              E Gbm D
                                                             You are I AM, my everything

E Gbm E Gbm

You are I AM, You are I AM
 D
My everything
