

Dartaian - Desapego

Tom: D

Intro: F#- Dm- C#m9-

Eu desapareci de mim
C#m9-

Fiz do meu estado interior

Tropecei, caí em cachoeira do itapemirim
C#m9-

Conheci as flores e o amor

Eu vou de reggae para o ceará
Dm- C#m9-

Com a luz do sol, no céu de maceió

Fumar de cabrobró

Sentir-se só jamais

C#m9-

E a paz que espanta a dor na pedra mais linda do arpoador

Ô santa maria, abençoe o dia
G#7M A
Dbm

Dos que querem ser maior

Sendo o menor capaz

E é só acreditar em si

Ser livre ao ponto de não se ver

Compartilhar a vida

Dbm

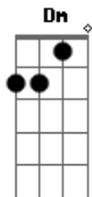

Saber amar

E questionar o tempo que ainda falta pra saída

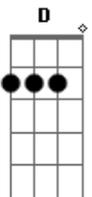

Eu desapareci de mim

Fiz do meu estado interior
