Dashboard Confessional - Screaming Infidelities

```
com afinações adversas, as vezes com
outra frequência base.
Na música a única parte com afinação
padrão é o refrão, então não se
desespere se não soar exatamente como
na música original, não vai soar.
 I?m missing you bad
Bbm Db
I never sleep
Avoiding the spots where
we?d have to speak
And this bottled beast
               Db
 Bbm
Is taking me home
        Im cuddling close To
blankets and sheets
But you?re not alone And
Gb
             Db
you're not discreet
Make sure I know who's
Bbm
taking you home
I?m reading your note
    Db
Over again there?s not a word
That I comprehend
Except when you signed it I will
               Dh
love you always And forever
Db Bbm Gb Db Bbm Db
Refrão:
    Db
Well as for now im gonna
       Bbm Db
hear the saddest songs
   Gb
                 Db
And sit alone and wonder
     Db
     How you're making out
But as for me, I wish that

                  Gb Db
I were anywhere with anyone
