

Daúde - Quase

tom:

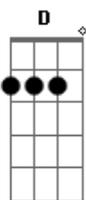

Intro: **D** **Am**
 Por uma estranha alquimia você e outros elementos
 Quase fui feliz um dia
 Não tinha nem fundamento
 Havia só a magia dos seus aparecimentos
 E a música que eu ouvia e um perfume no vento

Quase fui feliz um dia
 Lembrar é quase promessa
 É quase quase alegria, quase fui feliz à beça
 Mas você só me dizia
 Meu amor vem cá sai dessa
 Meu amor vem cá sai dessa
