

# Daughter - Burn It Down

Tom: E

Always said I was a good kid  
Always said I had a way with words  
Never knew I could be speechless  
Don't know how I'll ever break this curse

Now the world is only white noise  
Frequencies that I can't understand  
I can't be bothered with the teachers  
Always trying to shape the way I act

Burn it down, burn it down, burn it down, burn it down

I'll set fire to the whole place  
I don't even care about our house  
It's not the same in here since he left anyways

Burn it down, burn it down, burn it down, burn it down

Always said I was a good kid  
Always said I had a way with words

Never knew I could be speechless  
Don't know how I'll ever break this curse

Now the world is only white noise  
Frequencies that I can't understand  
I can't be bothered with the teachers  
Always trying to shape the way I act

Burn it down, burn it down, burn it down, burn it down

Momma told me all of this is  
Just a place we have to settle for  
Less than anything we dream on  
We'll continue to be disappointed

I feel down, I feel down, I feel down, I feel down  
I feel down, I feel down, I feel down, I feel down

Burn it down, burn it down, burn it down, burn it down  
Burn it down, burn it down, burn it down, burn it  
Burn it, burn it
