

Daughter - Medicine

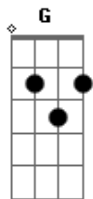

Tom: C
 Pick it up
 pick it all up
 and start again
 You've got a second chance
 you could go home
 escape it all
 its just irrelevant
 It's just medicine
 it's just medicine
 ...
 You could still be
 what you want to
 what you said you were
 when I met you
 You've got a warm heart

you've got a beautiful brain
 but its disintegr-ating
 from all the medicine
 From all the medicine
 From all the medicine
 Medicine?.
 You could still be
 what you want to be
 what you said you were
 when you met me
 You could still be
 what you want to be
 what you said you were
 When I met you;
 when you met me
 when I met you-ooohhh
