(com acordes na forma de Capotraste na 3ª casa (Em B7 C G )

Em  
While I powder my nose  
B7  
He will powder his guns  
C  
And if I try to get close  
G  
He is already gone.

Em  
I don't know where he's going  
B7  
I don't know where he's been  
C  
But he is restless at night  
G  
He has horrible dreams.

Em  
So we lay in the dark  
B7  
Cause we've got nothing to say.  
C  
Just the beating of hearts  
G  
Like two drums in the grey

Em  
don't know what we're doing  
B7  
I don't know what we've done.  
C  
But the fire is coming  
G  
So I think we should run.  
Em B7  
I think we should run run run run run...  
C G  
Run run run run..  
Em B7 C G  
Run run run run..

Em  
While I put on my shoes  
B7  
He will button his coat  
C  
And we will step outside  
G  
Checking out the coast is clear  
Em  
On both sides  
B7  
We don't wanna be seen  
C  
Oh this is suicide  
G  
But you can't see the ropes

Em  
And I won't tell my mother  
B7  
It's better she don't know

C  
And he won't tell his folks  
G  
Cause they're already ghosts

Em  
So we'll just keep each other  
B7  
As safe as we can  
C  
Until we reach the border  
G  
Until we make our plan  
Em B7  
To run run run run..  
C G  
To run run run run..  
Em B7 C G  
To run run run run..

Em B7  
Will you stay with me my love?  
C G  
For another day

Em B7  
Cause I don't want to be alone  
C G  
When I'm in this state

Em B7  
Will you stay with me my love?  
C G  
Till we're old and grey  
Em B7  
I don't wanna be alone  
C G  
When these bones decay

Em B7  
Run run run run..  
C G  
Oh run run run run..  
Em B7 C G  
Run run run run..  
Em B7  
Ooh and run run run run..  
C G  
Run run run run..  
Em B7 C G  
Run run run run..

Em  
While I powder my nose  
B7  
He will powder his guns  
C  
And if I try to get close  
G  
He is already gone.

Em  
I don't know what we're doing  
B7  
I don't know what we've done.  
C  
But the fire is coming  
G  
So I think we should run.
