

Daughters Of Eve - Hey Lover

tom:

G

Hey, hey, hey, lover

D

You don't have to be a star

G

Hey, hey, hey, lover

D

I love you just the way you are

G

For love is just the same

Without fortune and fame

D

Just give me

G

True love and understanding

True love and understanding

G

Hey, hey, hey, lover

D

You don't have to be a king

G

Hey, hey, hey, lover

D

You don't have to have a thing

G

For I'll be satisfied

D

Long as you are my guy

D

Just give me

G

True love and understanding

True love and understanding

Bm

For the rest of my days

D

No, you don't have to worry

Bm

Life's not a problem in our hands

G

'Cause if you really, really love me

A

In my heart, you'd be a big man

G

Hey, lover, won't you treat me right?

D

And be with me tonight

D

Just give me

G

True love and understanding

True love and understanding

Bm

For the rest of my days

D

No, you don't have to worry

Bm

Life's not a problem in our hands

G

'Cause if you really, really love me

A

In my heart, you'd be a big man

G

Hey, lover, won't you treat me right?

D

And be with me tonight

D

Just give me

G

True love and understanding

True love and understanding
