## **Daugtry - High Above The Ground**

Tom: C

С G You and I both, we come from different worlds I'm a small town kid and you're an uptown girl Dm We've both been hurt, we got a few scars ſ But it don't matter now, we're staring at the stars С When it comes to my heart you gotta catch and fall Deep down in my soul I know that I would die Dm If I didn't have you how could I ever fly? 100 miles beyond the sky

Chorus x2:

С G It's feeling like we're high above the ground It's feeling like we never coming down Till' we want to С But why would we want to (night)?

С Remember that day, we knew it from the start We've come a long way and we're gonna go far
