

Dave East - There's Nothing

tom:

F (forma dos acordes no tom de D)

Capo: traste na 3ª casa

Intro: D Gbm Bm G

There are people who step into your day
 Like a light that quietly shows you the way
 No grand gestures, nothing to impress?
 Just a steady kind of care that takes off the stress

You've always been that presence I trust
 Showing up strong when the moment calls for us
 When life gets heavy or starts to make a mess
 You're the calm in the chaos, the voice that says "breathe,
 yes."

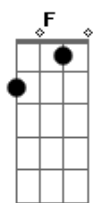

You're the call I make when I can't think straight
 The one who reminds me it's never too late
 No applause needed, no need to confess?
 You show love in the simplest ways, nothing more, nothing
 less

And I know this much is true
 There's nothing in this world that you can do
 That will make me love you less
 Through every stumble, every test
 There's nothing you could ever do
 To make me love you less

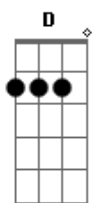

-Pausa

Some bonds grow slow in ordinary days?

In long talks, bad jokes, familiar ways
 You've been the place my heart finds its rest
 The kind of comfort that time can't digest

Through changes, mistakes, the years we collect
 You're still the person I deeply respect
 A constant, a guide, someone I won't second-guess?
 A presence that stays when the world says "yes?" or "less.?"

And I know this much is true
 There's nothing in this world that you can do
 That will make me love you less
 Through every stumble, every test
 There's nothing you could ever do
 To make me love you less

There are people who enter your life and stay
 Like a light left on at the end of the day?
 A reminder that some hearts simply bless
 And yours is one I'd never replace, I confess

And I know this much is true
 There's nothing in this world that you can do
 That will make me love you less
 Through every stumble, every test
 There's nothing you could ever do
 To make me love you less. Oooh, Less

To make me love you less
