

Dave Lofts - Where Is The Love

tom: C [Intro] C

[Primeira Parte]

I'm patiently waiting for you
 To say my name
 I'm hiding in the darkness
 She calls me, but I'm the one to blame
 I'll hide in the shadows
 So I won't feel no pain
 I know she wants me
 She becomes the rain

[Refrão 1]

And I just can't help but ponder why
 Would you treat me this way?
 Where is the love?
 Where is the love?
 And where is the love?
 I guess I'll never know

[Segunda Parte]

And she calls me up, darling
 She tells me I'm sorry
 For leaving you, darling
 I told you not to worry
 Babe, and I'm holding my tears back
 But it's okay, I got my buddies

A one more drink and
 I'll be home, don't you worry

[Refrão 2]

But I just can't help but ponder why
 Would you treat me this way?
 Where is the love?
 Where is the love?
 And where is the love?
 I guess I'll never know

[Interlúdio] F C F

[Ponte]

These autumn leaves are coming
 Down on my soul
 Lost again, but I find and it never gets old
 [Refrão 3]

Where is the love?
 Where is the love?
 And where is the love?
 Where is the love?
 My love, my love!
 Where is that love?
 And where is that love?
 Where is the love?
 I guess I'll never know
