   (INTRO)
Come and see
                  Em7
                                D
G
I swear by now I'm playing time against my troubles, oh G \overline{\mbox{Em7}} D
                Em7
       I'm coming slow but speeding
             G
Do you wish for a dance and while
   Em7
\ensuremath{\mbox{I'm}} in the front
 D
                D
My play on time is won
              Em7
                         D
                              D
                                   G Em7 D
Oh, but the difficulty is coming here
(CHORUS)
           D
 I will go in this way
And find my own way out
       D
             C
I won't tell you to stay
But I'm coming to much more
(INTRO 2)
(D G Em7 D)
All at once the ghosts come back
Reeling in you now
Oh, tell me what if they came down crushing?
```

Acordes

```
And used to be, you and me play for
all the loneliness that nobody
notices now
Oh, I'm begging slow
I'm coming here
Only waiting
I wanted to stay,
I wanted to play,
I wanted to love you
I'm only this far
And only tomorrow leads the way
I'm coming waltzing back and
moving into your head
(CHORUS)
(G D C)
Please, I wouldn't pass this by
Oh, I wouldn't take any more than...
What sort of man goes by...?
I will bring water
Why won't you ever be glad?
It melts into wonder
I came in praying for you
Why won't you run
into rain and pray?
Can a kiss splash all over you?
