## Dave Matthews Band - Funny The Way It Is

Tom: C	Dm Bb C F E Dm Standing on a bridge, watch the water passing under me
Riff:	Bb C F E   It must've been much harder when there was no bridge, just water   Dm Bb C F E
Am G Lying in the park on a beautiful day, F	Now the world is small. Remember how it used to be, Dm Bb C G G7
Sunshine in the grass, and the children play.	With mountains and oceans and winters and rivers and stars?
Siren's passing, fire engine red,	Solo com base Am G F (várias vezes)
Someone's house is burning down on a day like this? Am The supering comes and using barging sut	Am G Watch the sky, the jet planes, so far out of my reach
The evening comes and we're hanging out, F On the front step, and a car goes by with windows rolled down, Am G	Is there someone up there looking down on me? Am G Boy chase a bird, so close but every time
And that war song is playing, ?why can't we be friends?? F	F He'll never catch her, but he can't stop trying
Someone is screaming and crying in the apartment upstairs	Solo com base C G Bm F (várias vezes)
Funny the way it is, if you think about it Bm F	C G Funny the way it is, if you think about it
Somebody's going hungry and someone else is eating out C G Funny the way it is, not right or wrong Bm F	Bm F One kid walks 10 miles to school, another's dropping out C G Funny the way it is, not right or wrong
Somebody's heart is broken and it becomes your favorite song (Riff)	Bm F On a soldier's last breath his baby's being born C G Funny the way it is, not right or wrong
Am G The way your mouth feels in your lovers kiss	Bm F Somebody's broken heart becomes your favorite song
Like a pretty bird on a breeze or water to a fish	Funny the way it is, if you think about it
A bomb blast brings a building crashing to the floor	A kid walks 10 miles to school, another's dropping out.
You can hear the laughter, while the children play ?war?	(Riff)
C G Funny the way it is, if you think about it Bm F	Dm Bb C F E Dm   Standing on a bridge, watch the water passing under me Bb C F E
One kid walks 10 miles to school, another's dropping out C G Funny the way it is, not right or wrong	It must've been much harder when there was no bridge, just water Dm Bb C F E
Bm F On a soldier's last breath his baby's being born	Now the world is small. Remember how it used to be, Dm Bb C G
(Riff)	G7 With mountains and oceans and winters and rivers and stars?
