

Dave Matthews Band - So Damn Lucky

Tom: **G**

E **A**
 Everything's different
E **A**
 My head in the clouds
E **A**
 I hit this corner
E
 With my foot on the gas
A **E**
 I started sliding, I lose it
A
 Everything's different just like that

D **G** **Em**
 Oh my God, wait and see
C **Am** **E**
 What will soon become of me?
G
 Frozen heart
Em
 Screaming wheels
C **Am** **E**
 Does that screaming come from me?

A **E** **A**
 So damn lucky, that you went on ahead
 You say, you say
E **A**
 I see you later
E **A**
 I heard what you said a few minutes later
E
 I'm sliding
A **D**
 Everything's different, again

D **G** **Em**
 Oh my God, wait and see
C **Am** **E**
 What will soon become of me?
G

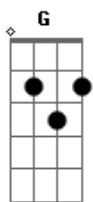

Frozen heart
Em
 Screaming wheels
C **Am** **E**
 Does that screaming come from me?

 Silent
E
 I'm dizzy from all this spinning
A **E**
 Now I'm thinking that you did all you could
A
 When you said my love
E
 Take it slowly
A **D**
 Ok, is what I said

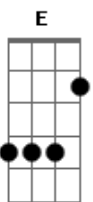

D **G** **Em**
 Oh my God, wait and see
C **Am** **E**
 What will soon become of me?
G
 Frozen heart
Em
 Screaming wheels
C **Am** **E**
 Does that screaming come from me?

E **A** **E**
 Take me back, just before I was spinning
A **E**
 Take me back, just before I got dizzy
A **E**
 Take me back, amazing what a minute can do
A
 Just like you
E **A**
 So, so, so, so, up, around, around, around
E **A**
 Amazing what a minute can do
E **A**
 Around, Around, Around
E
 Ok...
