

# Davi Liano - Sorte (Caetano Veloso)

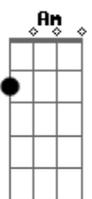

tom:

E

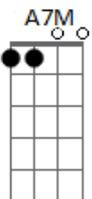

Tudo de bom que você me fizer  
 Faz minha rima ficar mais rara  
 O que você faz me ajuda a cantar  
 Põe um sorriso na minha cara  
 Meu amor, você me dá sorte  
 De cara

Quando te vejo não saio do tom  
 Mas meu desejo já se repara  
 Me dá um beijo com tudo de bom  
 E acende a noite na Guanabara  
 Meu amor, você me dá sorte  
 Na vida
