

David Boone - Deck of Cards

tom:
Gb (forma dos acordes no tom de G)
Afinação: Eb Ab Db Gb Bb Eb

We all want a piece of paradise
Just one time in our life
A chance to see the stars
I'm sitting on a deck of cards
I can't buy you diamonds, but I'll give you my heart
We've been down this road before
We were young then, girl, you know it
We tried to make it all end perfect
Then we found out it wasn't really worth it
If you want me to leave
Baby, I'll go wherever you want me to go
But if you want a piece of me
I'll give you the whole, oh the whole night through
Everybody wants a house at the top of the city, at the edge
of the ocean
Everybody wants a pretty penny picture, what a nice notion

I'm sitting down here on the sidewalk watching the motion
pass
me by
You got your head down in your hands; you're wondering why
all the commotion
If you want me to leave
Baby, I'll go wherever you want me to go
But if you want a piece of me
I'll give you the whole, oh the whole night through
Are we on the wrong side of the road? I'd tell you, darlin',
if I could, but I just don't know
Are you on the fence? Well, in my defence, when I close my
eyes we're still dancing
If you want me to leave
Baby, I'll go wherever you want me to go
But if you want a piece of me
I'll give you the whole, oh the whole night through
We all want to hit the jackpot
Just a little luck of the draw
