

David Bowie - It Ain't Easy

Tom: D
Intro: D A D A D A D A

When you climb to the top of the mountain
Look out over the sea
Think about the places perhaps where a young man could be
Then you jump back down to the rooftops
Look out over the town
Think about all of the strange things circulating round

CHORUS 1:

With the help of the good Lord we can all pull on through
We can all pull on through
Get there in the end

Acordes

Sometimes it'll take you right up and sometimes down again

CHORUS 2

Satisfaction, satisfaction
Keep me satisfied
I've got the love of a Hoochie Coochie woman she calling from inside
She's a-calling from inside
Trying to get to you
All the woman really wants you can give her something too
