

# David Bowie - Janine

Tom: D

D C G C D D C G C D D C G C D  
 Oh my love, Janine, I'm helpless for your smile  
 E E7 A G D  
 Like a Polish wanderer I travel onwards to your land  
 A G Gbm  
 And were it not just for the jewels I'd close your hand

Your strange demand to 'collocate' my mind  
 Scares me into gloom, you're too intense  
 I'll have to keep you in your place  
 I've no defence, I've got to keep my veil on my face

CHORUS:

D D G C G  
 Janine, Janine, you'd like to know me well  
 C G F C  
 But I've got things inside my head that even I can't face

D D G C G  
 Janine, Janine, you'd like to crash my walls  
 C G F C  
 But if you take an axe to me you'll kill another man  
 D C G C D D C G C D  
 Not me at all

You're fey, Janine, a tripper to the last  
 But if I catch you standing on my toes  
 I'll have a right to shout you down  
 For you're a lazy stream, in which my thoughts would drown

So stay, Janine, and we can glide along  
 I've caught your wings for laughs  
 I'm not obliged to read you statements of the year  
 So take your glasses off and don't act so sincere

CHORUS

D C G C D (repeat and ad lib)
