

# David Bowie - Letter To Hermione

Tom: **G**

Intro: (Hum along with the intro following the same notes).

**E A D G B E**

(When you're changing from the **C** chord back to **Am** you can use the **Gmaj** as a link between the chords to make it sound more Bowie).

Verse1.

**Am** The hand that wrote this letter **C** Sweeps the pillow clean  
**Am** So rest your head and read a treasured dream  
**Emsus4** I care for no one else but you  
**C** I tear my soul to cease the pain  
**Emsus4** I think maybe you feel the same  
**Em** What can we do?  
**C** I'm not quite sure what we're supposed to do

**Em**

So I've been writing just for you

Verse2.

They say your life is going very well  
 They say you sparkle like a different girl  
 But something tells me that you hide  
 When all the world is warm and tired  
 You cry a little in the dark  
 Well so do I  
 I'm not quite sure what you're supposed to say  
 But I can see it's not okay

Verse3.

He makes you laugh  
 He brings you out in style  
 He treats you well  
 And makes you up real fine  
 And when he's strong  
 He's strong for you  
 And when you kiss  
 It's something new  
 But did you ever call my name  
 Just by mistake?  
 I'm not quite sure what I'm supposed to do  
 So I'll just write some love to you
