David Bowie - Savior Machine

Tom: G
Intro: Am Bb Am G (repetir até começar o primeiro verso)

```
Am                        F
President Joe once had a dream
                    E
The world held his hand gave their pledge
                      Am                    Em
So he told them his scheme for a Saviour Machine
Am                                    F
They called it The Prayer, its answer was law
                    E
Its logic stopped war, gave them food
                Am                    E
How they adored till it cried in its boredom

G            Gbm         Am          Bb
Please don't believe in me please disagree with me
G            Gbm       Am                  Bb        C
Life is too easy, a plague seems quite feasible now
Bb         C   Bb            Am  D  Am  D  Am  D
Or maybe a war I may kill you all

PRIMEIRO SOLO:  Am  F  Ab  Bb
                Am  F  Am  F  Ab  Bb

Am           G                   F
Don't let me stay, don't let me stay
                G               Am
```
```
My logic says burn so send me away
                    Bb                    F
Your minds are too green, I despise all I've seen
                    G                 Am  D
You can't stake your lives on a Saviour Machine

SEGUNDO SOLO:  Am  D...(11 vezes)

G          Gbm       Am            Bb
I need you flying and I'll show that dying
     G        Gbm       Am        Bb        C
Is living beyond reason sacred dimension of time
Bb           C   Bb               Am  D  Am  D  Am  D
I perceive every sign I can steal every mind

PRIMEIRO SOLO

Am          G                   F
Don't let me stay, don't let me stay
                G               Am
My logic says burn so send me away
                    Bb                    F
Your minds are too green, I despise all I've seen
                    G                 Am  D
You can't stake your lives on a Saviour Machine

SOLO NO FINAL:Am  Bb  Am  D  Am  G
              Am  Bb  Am  G
              Am  Bb  Am  G ...repetir durante o fade out
```
