Gb
You think you're gonna please her
so you walk right up and tease her
but she walks right on by

Gb
You're scared to walk beside her
'cause you're playin' with a spider
who possesses the sky

She's got the green backs, my oh my
You gotta act tall think big
if you wanna make a mark in her book
Gotta get a hit get a car fancy clothes
or she'll throw you right off of her hook
Here's the news you are but one fish in her back garden sea
Gotta make like a shark to be free

Somethin' bad on your mind get it off

Take my tip, get it off, take my tip,
get on out
