

David Bowie - The Supermen

Tom: **F**

F **G**
F
 When all the world was very young
G
 And mountain magic heavy hung
F
 The supermen would walk in file
G
 Guardians of a loveless isle
Am **Am** **F**
 And gloomy browed with superfear their tragic endless lives
E
 Could heave nor sigh
 In solemn, perverse serenity
F **G**
 Wonderous beings chained to life

CHORUS #1:
F **G** **F** **G**
 Strange games they would play then, no death for the perfect men

Ab **Bb** **Am** **F** **Ab** **C**
 Life rolls into one for them, so softly a supergod cries

Where all were minds in uni-thought
 Power wierd by mystics taught
 No pain, no joy, no power too great
 Colossal stength to grasp a fate
 Where sad eyed mermen tossed in slumber
 Nightmare dreams no mortal mind could hold
 Man would tear his brother's flesh
 A chance to die, to turn to mold

CHORUS #2:
 Far out in the red sky, far out from the sad eyes
 Strange, mad celebration, so softly a supergod cries

CHORUS #3:
 Far out in the red sky, far out from the sad eyes
 Strange, mad celebration, so softly, a supergod dies

F: alternate bass notes between **F** and **E**
 G: alternate bass notes between **G** and **E**
