

# David de Paula - I Wanna Be The Place You Call "My Home"

tom:

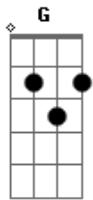

I wanna be the place you call ?my home?

In my house has three bedrooms  
Table, beds and chairs

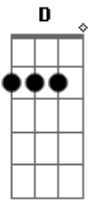

In your have a heart (MY HEART) and an all space that is yours  
Leaving home is very good, but arriving is better

I feel will; is all what i want  
Being willed i call this place ?a home?  
This is what i want  
May you will  
And call this place : "my home!"  
Stay will, let's talk, until sleep arrive  
And when you leave, turn off the light , we go to the: new home
