

# David Fonseca - Do You Really Believe That Love Will Keep You From Getting Hurt?

Tom: **C**

(com acordes na forma de **G** )  
Capostrate na 5ª casa  
Intro: 2x: **Em** **A7sus4**

**Em** **A7sus4**  
You are tired, from all the golden coins you threw  
**Em** **A7sus4**  
In the well, that promised things it couldn't do  
**Em** **A7sus4**  
You have tried, to live by what your god has wrote  
**Em** **A7sus4**  
But those lines, they don't give you just what you hoped

Refrão:

**C** **Em**  
Do you really believe that love will keep you from getting hurt?  
**A7sus4** **C**  
Because when you find the one, you'll open your heart and then  
**G** **Em**  
Once it is opened, it'll take a little raindrop  
**A7sus4**  
To get it broken  
**C** **D**  
And then you'll know what is hurting, you're hurting, you're  
**Em** **A7sus4**  
hurting  
**Em** **A7sus4**  
Days go by, and pile up crosses on your wall  
**Em** **A7sus4**  
Counting out, the hours that you wished for more  
**Em** **A7sus4**

You're afraid, and you blame it all on yourself  
**Em** **A7sus4**  
As if guilt, will give you strength to keep it on
