

# David Gilmour - Rattle That Lock

Tom: **Eb**  
Intro: **Cm**

**Cm**  
Whatever it takes to break  
Gotta do it  
From the burning lake or the eastern gate  
You'll get through it

**Ab**  
Rattle that lock and lose those chains  
**Fm**  
Rattle that lock and lose those chains  
**Ab**  
Rattle that lock and lose those chains  
**Fm** **G7**  
Rattle that lock

**Cm**  
Let's go do it  
Have it all our way  
Go back to where we blew it  
And lose our heads along the way

**Ab**  
So long sin, au revoir chaos  
**Fm**  
If there's a heaven, it can wait  
**Ab**  
So long sin, au revoir chaos  
**Fm** **G7**  
If there's a heaven...

Guitar solo base: **Cm Ab Fm Ab Fm G7 Cm**

**Cm**  
Rattle that lock  
Lose those chains

**Cm**  
And all the other travellers  
Become phantoms to our eyes  
Furies and the revellers  
Fallen angels in disguise

**Ab**  
No discord, chance or rumour  
**Fm**  
Is going to interrupt this place  
**Ab**  
No discord, chance or rumour  
**Fm** **G7**  
To interrupt this...

**Cm**  
So, let's get to it  
It's calling like a flame  
Through the darkness and the night  
The world suspended on a golden chain

**Ab**  
No discord, chance or rumour  
**Fm**  
Is going to interrupt this place  
**Ab**  
No discord, chance or rumour  
**Fm** **G7**  
To interrupt this...
