

David Guetta - Lovers on the Sun

Tom: **D**

Bm **D**
Let's light it up, let's light it up
A **Bm** **D** **A**
Until our hearts catch fire
Bm **D**
Then show the world a burning light
A **Bm** **D** **A**
That never shined so bright
Bm **D**
We'll find a way, we'll find a way
A
To keep the cold night
Bm **D**
From breaking in over the walls
A **Bm**
Onto the wild side
D **A** **Bm** **D** **A**
The hunger satisfied

Bm **D**
We're burning up
Gbm **E** **Bm** **D**
We might as well be lovers on the sun, oh, oh
Gbm **E** **Bm** **D**
We might as well be lovers on the sun, oh, oh
Gbm **E** **Bm**
We might as well be lovers on the sun

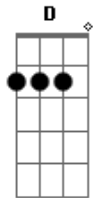

Bm **D**

We'll never know, we'll never know
A **Bm** **D** **A**
What stands behind the door
Bm
But I got a feeling
D **A** **Bm** **D** **A**
And it's a feeling it's worth dying for
Bm **D**
Just close your eyes and hold your breath
A
Because it feels right
Bm **D** **A** **Bm**
We'll keep it moving until we make it to the other side
D **A** **Bm** **D** **A**
And let's enjoy the ride

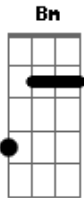

Bm **D**
We're burning up
Gbm **E** **Bm** **D**
We might as well be lovers on the sun, oh, oh
Gbm **E** **Bm**
We might as well be lovers on the sun

Bm **D**
Let's light it up, let's light it up
A **Bm** **D** **A**
Until our hearts catch fire
Bm **D**
Then show the world a burning light
A **G** **Gbm** **A** **Bm**
That never shined so bright
